Share Your Ideas for the Future of Springfield's Main Street

The City of Springfield invites residents, business owners, property owners and anyone who has an interest in the future of Springfield's Main Street to share ideas for how "Our Main Street" might change and look over the next 20 years as Springfield grows. The City will host an open house on December 11 from 4:00 to 7:00 PM with presentations about the Main Street Corridor Vision Plan process given at 4:00 and 6:00 PM.

Visions and views collected during the open house will become part of the community planning process to develop a Main Street Corridor Vision Plan - a set of recommendations that will inform the City's land use policy and transportation system planning over the next several years for the lands along the Corridor between Downtown and Thurston.

To learn more about the Main Street Corridor Vision Plan and other Main Street projects please visit <http://www.ourmainstreetspringfield.org>.
