WHAT'S UP WITH OREGON WEATHER?

A climate presentation at the Springfield Library on Tuesday, August 12

You've heard the saying, "Everybody complains about the weather, but nobody does anything about it." On Tuesday, August 12, 2014 at 6pm, Kathie Dello from the Oregon Climate Service of Oregon State University is coming to talk about the ups and downs of Oregon's weather. She'll present about Oregon's climate history and how the Oregon Climate Service tracks weather patterns. A question and answer period will follow.

Held in the Library Meeting Room.

This program is made possible by support from the [Springfield Library Foundation](#), a charitable non-profit dedicated to enhancing library services in Springfield.
