A Statement from Mayor Lundberg on the February 22 fatalities on Main Street

Our community has suffered a tragic loss. Our hearts go out to the family and friends of those who lost their lives last night on Main Street. Although we strive to make our community and Main Street as safe as possible, accidents are an unfortunate and in this case heartbreaking, part of life. The council has long recognized the need for improved safety along the Main Street Corridor and over the last several years has actively worked on long term solutions – including four new pedestrian crossings. We will look at additional short term solutions to increase awareness and encourage both drivers and pedestrians to use the utmost caution along Main Street.

Mayor Christine L. Lundberg
City of Springfield
