SpringFilm: MOVIE & DISCUSSION SERIES AT THE LIBRARY

Adults are invited to watch the film Smoke Signals and stay for a discussion

On Saturday, July 23, 2011 at 2pm, the community is invited to a monthly film series at the Springfield Library called SpringFilm. July's screening will be of the film *Smoke Signals*, based on the short story collection by Sherman Alexie, *The Lone Ranger and Tonto Fistfight in Heaven*. After watching the movie, audience members are invited to stay for a facilitated discussion.

Thomas is a skinny, toothsome kid wearing oversized glasses and plaid shirts under three-piece suits, and Victor is a brooding loner. Together, these Coeur d'Alene Indians trek from their Idaho reservation to Phoenix to retrieve the ashes of Victor's estranged father. This is the first film written, directed, and acted completely by American Indians.

The film is 88 minutes and directed by Chris Eyre. The event is held in the Library Meeting Room; free.
