## **OREGON CAROUSELS PRESENTATION**

*A video and presentation by Darrell Jabin and Tyson Brown*

On Saturday, June 18, 2011 at 3:30pm, a presentation about Oregon Carousels will take place in the Library Meeting Room. The event is sponsored by the Springfield Library Foundation.

What do you know about Oregon Carousels? Oregon has a number of them including ones at Jantzen Beach, Oaks Amusement Park, Seaside and Salem's Riverfront Park. Additionally, there is an ongoing community project that is creating a carousel for downtown Albany.

The program will include a 20-minute video produced by Darrell Jabin who produces videos about Oregon history. He researched the history of carousels and photographed at Jantzen Beach, Oaks Amusement Park and the Salem Riverfront Carousel. He also spent a number of hours talking with volunteers who are involved in creating the carousel in Albany.

Tyson Brown, the volunteer coordinator of the Albany Carousel Project, will present a powerpoint showing the animals and the process of creating the Albany Carousel project. Tyson and Darrell will be available for questions.
