**FCC Representatives will Answer Questions
on the Digital Television Transition at Springfield City Hall**

Although the Congress has approved legislation allowing television stations to delay the conversion to all digital transmission until June, local stations, with the exception of Oregon Public Broadcasting, have decided to stick to the original conversion date of February 17, 2009.

Community members in Lane County that need extra help with the Digital TV Transition can talk to FCC representatives at Springfield City Hall **from 9 a.m. to 5 p.m. on February 17 and 18.**

FCC representatives can provide:

- Converter box installation demonstrations
- Help in applying for DTV converter box coupons
- Assistance with all DTV related questions.
