## **QUILT CLUB OFFERED AT THE SPRINGFIELD PUBLIC LIBRARY**

Students can join the Library Quilt Club at the Springfield Public Library. Students will create beautiful quilts that will be displayed in the library before they are donated to children in traumatic situations. The Library Quilt Club is a community service effort. Members will learn proper techniques using sewing machines while creating appealing quilts that will be donated to Comforts for Children and Project Linus, organizations that will deliver them to children in need, such as for children in hospitals, children entering foster care, and children who are survivors of house fires. All machines and supplies are provided.

The classes will be led by Springfield school librarian, Susan Mondon, and will meet on Fridays in April and May, from 3:00 – 4:30 pm, starting April 3. Library Quilt Club is free and is for students in grades 4-8. Register at the youth services desk at the library or by phone, (541) 726-3766.
