Penny's Puppets – Fabulous Puppet Show!

The Puppet Town Musicians make a tour stop at Springfield Public Library

Families are invited to join us for the return of Penny's Puppets on Monday evening at 6 p.m., July 9 at Springfield Public Library! Penny is a perennial favorite with her laugh out loud humor, songs, and incredible puppets. This program is part of our ongoing Summer Reading Program, which incentivizes children to read all summer long and helps to curb "summer slide." This program is free and open to the public!

About the Show, from Penny's Website:

"Penny's Lovable puppets want to begin new lives. They have grown older and feel useless at the farm. Donkey wants to sing instead of carry heavy loads, D-O-G no longer wants to chase sheep but would prefer to play his rocking guitar, Puss and Boots wants to retire from hunting mice and would rather chase his dream of becoming famous, and Mother Goose who's grown forgetful and forgotten wants to put a fresh spin on her lyrics. They all decide to leave the country life together and head towards 'Puppet Town' to create a band. Enjoy this original musical puppet production where music and friendship shine through. You are never too old to make new friends."
