Dear Mr. Donovan,

I am writing this letter on behalf of Trudy Logan, owner of Along Came Trudy.

I have had the pleasure of hiring Ms. Logan for a catering project and I could not have been more pleased. She was professional, on time and the food was delicious. During that job, I had the opportunity to visit her location in Springfield and I was amazed at what a terrific space she has there. It's pleasant, open, versatile and cheerful.

There are so few nice event venues in the Eugene/Springfield area for celebrations other than at a restaurant or a hotel. Trudy offers a wonderful alternative. She provides a unique and friendly event center for any occasion. She is also able to decorate for everything from birthday parties and weddings to company picnics, reunions, retirement parties and everything in between.

I would hate to see her business jeopardized and have us all be the losers. We need to encourage more people like Trudy Logan to provide much needed services. Let's keep it local and let's keep Along Came Trudy!

Sincerely yours,

Lindy Moore
