Time Extension Request 120-Day Timeline

Case #: TYP214-00024

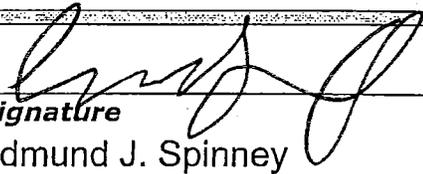

Date: February 12, 2015

I/We understand that state law (ORS 227.178) requires cities to take final action on the above-referenced application, including resolution of all appeals, within 120 days after the application is deemed complete. I/We understand that the application referenced above was deemed complete by the City of Springfield Planning Division on 11/6/2014. Accordingly, the 120-day period will elapse on 3/6/2015 but was previously extended to 3/27/2015.

To allow Springfield planning staff more time to address the above-mentioned considerations, we hereby waive the 120-day requirement and request an extension until 4/17/2015. This extension is given freely and without compulsion by the City and is not a condition of the City for the taking of any action on the above-referenced application.

Reason for request: To allow time for a view of the property by the hearings officer and for the parties to file briefs.
