

FIRST-TIER SUBCONTRACTOR DISCLOSURE STATEMENT

ORS 279C.370 requires that bidders disclose to the City of Springfield certain first-tier subcontractors. When the contract value for a public improvement is greater than \$100,000, the bidder shall list below the names, the Construction Contractors Board number and location of place of business of each subcontractor who will be furnishing labor or labor and materials in connection with the public improvement and whose contract value is equal to or greater than:

five percent of the total project bid or \$15,000, whichever is larger; or \$350,000 regardless of the percentage of the total project bid.

This form must be submitted at the location specified in the Invitation to Bid on the advertised bid closing date and within 2 working hours after the advertised bid closing time. This form must be submitted regardless of the use of subcontractors. Mark "None" in the subcontractor list if there are no subcontractors that need to be disclosed. Failure to submit this form by the disclosure deadline will result in a nonresponsive bid. A nonresponsive bid may not be considered for award.

If the form is submitted separately from the bid it should be enclosed in an envelope marked:
