# City of Springfield

## Request for Competitive Price Quote

The City of Springfield is requesting Competitive Price Quotes for the project referenced below.

**Project Number: P21015**

**Project Title: South 59<sup>th</sup> and Aster Drainage Improvements**

**Description:** This project will complete a piped storm system that conveys runoff in southeast Springfield. The current system consists of a stormwater pipe in the unimproved Aster Street Right-of-Way that outfalls into an open ditch in a wetland area. The wetland then drains back into a piped system. The open ditch does not have the capacity to convey stormwater from large rain events creating a flooding situation over South 59<sup>th</sup> Street and adjoining properties. This project will install 400 feet of 42-inch storm sewer in the area of South 59<sup>th</sup> and Aster Streets.
