Advantages  **DELTA DENTAL**

- * **Freedom to choose your dentist** ODS is unique in that we have contracts with over 2,000 licensed dentists in Oregon. As the Delta Dental Plan of Oregon, we offer access to over 139,000 dental professionals nationwide.
- * **Professional Arrangements** ODS and other Delta Dental member companies have specific negotiated fees with our participating dentists to ensure that actual charges made by the dentist do not exceed his or her accepted or contracted fees on file. We believe that the underlying unique feature inherent to all ODS programs is every participating dentist becomes a party to cost control as well as the quality of care. Participating dentists will update your records with your new information and will submit claims to ODS for you.
- * **myModa is** a customized member website with current, accurate and easy to understand information about the member's plan. Log onto www.modahealth/members to access myModa.
