Request for Proposal

Department of Development and Public Works
The Mill Race Stormwater Facility Engineering Services
RFP #1077

ADDENDUM #4

The City of Springfield is hereby amending the above mentioned RFP. The original document can be found on the City's website at www.springfield-or.gov. By selecting the hyperlink *Purchasing/Contracts* from the menu on the left side of the home page, interested parties will be linked to the RFP/ITB page.

- 1. Question:** While we are extremely interested in this project, as an ESB we do not have the staffing levels necessary for a successful and timely completion. As such, we would like to explore partnering opportunities with prime consultants that may have expressed an interest. To that end, would it be possible to get a list of those firms?

City's Response: See Attachment 1 for firms who are on the interested party list.

In the event that it is necessary to further amend, revise or supplement any part this ITB, additional addenda will be posted on the City's website at <http://www.springfield-or.gov> (select the *Purchase Contracts* hyperlink and RFP#1077 Addendum #4 The Mill Race Stormwater Facility Engineering. As stated in the original solicitation, City will make a reasonable effort to provide the addenda to all Proposers to whom City provided the initial RFP. This addendum shall be considered part of the specification of the RFP. The City is not responsible for any explanation, clarification, interpretation or approval made or given in any manner except by written addenda issued by City.

ALL BIDDERS SHOULD ACKNOWLEDGE AND INCLUDE THIS ADDENDA #4 AS PART OF THEIR SUBMITTAL PACKAGE.
