Request For Proposals

Development and Public Works
CCTV Pipeline Inspection Software
RFP#939

ADDENDUM #1

The City of Springfield is hereby amending the above mentioned RFP. The original document can be found on the City's website at www.springfield-or.gov. By selecting the hyperlink *Purchasing/Contracts* from the menu on the left side of the home page, interested parties will be linked to the RFP/ITB page.

1. **Question:** Rather than CCTV, might you like to consider a custom pipeline inspection system based on mobile devices (iPad, Android...)?

City's Response: The City seeks a software system. The City will consider custom pipeline inspection systems based on mobile solution devices (ipad and Android) in addition to CCTV, not in place of CCTV. Proposals lacking a CCTV element (as described in RFP#939) may not pass the City's short listing process.

2. Addition to Submission Requirements
