

The City of Springfield's Development & Public Works Department actively works to increase Springfield's housing, business and industry development opportunities and to improve the community's health, safety, welfare and livability through the efficient implementation of development assistance.

We have made some time-saving changes to the application process, implemented new technology and more! We want to share information with you about the changes and how they can be helpful to the success of your next project.

There will be staffed informational stations covering:

- **City's Development, Municipal and Building codes**
- **Planning**
- **Zoning**
- **Application Submittal Process**
- **Building Permits and Services**
- **Development Advisory Committee**
- **Planning Commission**
- **Community Development Projects**

**Drop in at your convenience; no RSVP needed.
Light refreshments will be served.**
