

RESIDENTIAL STREET LIGHT PROGRAM APPLICATION

Each year the City of Springfield receives several community member requests for new street lights. As funding is available to consider these requests, the City has established a process for installing new lighting that determines the need for lighting based on public safety issues, installation costs, and neighborhood consensus.

To request a street light, please fill out the information below and return the form to Transportation by e-mailing it to dpw@springfield-or.gov, mailing it to City of Springfield, Operations, 201 S 18th Street, Springfield, OR 97477 or delivering it in person to the Operations Front Counter at 201 S 18th Street.

Thank you.
