

# UpStream Art - Calling All Artists!

## Artists Wanted

Love to paint? Want to help protect the health of local rivers?

The City of Springfield is seeking local artists to paint murals on up to five (5) storm drains in the downtown area to help raise awareness about the importance of protecting our rivers, stream habitat, and aquatic wildlife.

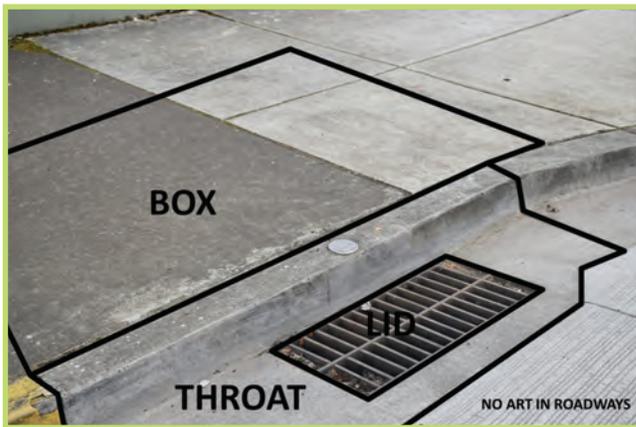

## What is UpStream Art?

The UpStream Art project provides a platform to creatively illustrate the importance of storm drains, their function, and their connection to our waterways.

Artists selected to participate in UpStream Art will be provided with paints and a storm drain. They'll also be compensated for their art!

Artists must be available to paint and complete their artwork August 12 & 13.

## How to Apply

- Submit a sketch or graphic of your original design. The 2016 theme is “Drains to Streams”
- Fill out the Application Packet available at [springfieldstreams.org](http://springfieldstreams.org)
- Application Packets are due by **5 p.m., Monday, June 13**
- Visit [springfieldstreams.org](http://springfieldstreams.org) for more information
- Questions? Email [WaterResources@springfield-or.gov](mailto:WaterResources@springfield-or.gov)
