

Franklin Blvd/McVay Hwy Wastewater Trunk Extension Up Coming Road Closure to Occur

Dear Neighbor,

The City of Springfield will begin the second season of the construction on the new wastewater trunk line designed to service properties along S Franklin Blvd/McVay Hwy. Construction this season is planned to start in the middle of May and be completed by the end of September 2015. We want to thank you for your continued patience as we strive to improve the infrastructure in Glenwood.

As with construction last summer, in order for the work to occur safely and efficiently there will be road closures. The following is a timeline for the 2015 road closures:

- Beginning in the middle of May through June, E 19th Ave will be closed to through traffic between Nugget Way and the intersection with S Franklin Blvd/McVay Hwy.
- In June, construction will switch to work on S Franklin Blvd/McVay Hwy and will be closed to through traffic through September 30, 2015. The majority of the work this season on S Franklin Blvd/McVay Hwy will be conducted south of the Union Pacific Railroad Crossing (Trestle).

Access to local residents and businesses will be allowed, but will need to follow the designated detours. On the back of this letter is a map that shows the closure and the regional detour.

As is true with many construction projects, conditions may change. We encourage you to stay informed of the project details through the project website and Keep Us Moving.org. Below are links to both websites.

Frequently Asked Questions and Answers

What does the project include?

A portion of S. Franklin Blvd/McVay Hwy will receive wastewater service. While residents and businesses may have the opportunity to connect to the regional wastewater system through this project, they will not be required to do so by the City.

When will construction take place?

Construction will begin in May 2015 and be completed by the end of September 2015. During active construction there will be roads closed to through traffic.

Will there be road closures?

Yes. E 19th between S Franklin Blvd/McVay Hwy and Nugget Way will be completely closed from approximately the middle of May through June 2015. S Franklin Blvd/McVay Hwy from the intersection of Franklin Blvd (Uhaul) to the intersection of Franklin Blvd and Nugget Way will be completely closed to through traffic during active construction from approximately June 15 to September 30, 2015. Local traffic will be allowed.

How will this affect me?

You may be required to take detours from your usual routes plus hear and see signs of construction.

How do I get more information?

Check www.keepusmoving.info and the hotline, 541.984.8484, frequently for project updates.

What if I ride the bus?

Check www.LTD.org or call 541.687.5555 for information about bus routes during construction.
