Construction Start: Spring 2014
Construction Completion: Summer 2014

P21079 East 17th Avenue Sewer

Project Description: Properties along the south side of East 17th Avenue in Glenwood, between Glenwood Boulevard and Henderson Avenue, do not have public wastewater service available. The City and Lane County have entered into an Intergovernmental Agreement (IGA) for pavement rehabilitation and jurisdiction transfer of Glenwood Boulevard. This IGA includes the option for the City to pay the County for pavement rehabilitation on this segment of East 17th Avenue if the City has funds available. The City desires to install the needed public wastewater line prior to the pavement rehabilitation scheduled for 2014.

For questions regarding this project you may contact the Project Leader below.
