

FY10 ASSESSED VALUATION

Levy and Tax Revenue Information

The City has historically levied a local property tax each year to fund that portion of its operating budget not supported by other revenue sources. Since the General Fund is the general operating fund of the City, all property taxes collected for general governmental operating purposes are accounted for in the City's General Fund. As with other jurisdictions throughout Oregon, the City of Springfield's property tax is a primary source of revenue for City general operations. Current property taxes provide 52% of the funding for the City's General Fund operating activities.

General Operations include the following:

- ◆ City Council and City Administration
- ◆ Legal services, Municipal Court and Judicial services
- ◆ Basic Police services
- ◆ Fire First Response, Suppression and Fire Marshal services
- ◆ Development and Land Use Planning services
- ◆ Building and Structure Maintenance services
- ◆ Finance, Information Technology, and Human Resource services

Two Local Option Levies to Provide Dedicated Funding for Fire and Police Enhanced Services

In November, 2002, City of Springfield voters passed two public safety measures – one for Fire Services and one for Police and Court Services. In 2006, the Fire Services Levy was renewed for four years (FY08-FY11). The Police Services Levy was renewed for five years (FY09-FY13) with added staff for the new Justice Center. There was a one-year break (FY08) between the expiration of the old levy and the beginning of the new levy. In FY09, the new levy went into effect. The taxation information on the two levies is provided in this section of the budget document. For more detail on specific funding, see the Fire & Life Safety, Police, and Legal/Judicial Services pages in this budget document. Overall, funding from the two levies provided the following:

Property Tax History

Effective July 1, 1997 Springfield began operating on a rate based system for its operating levies. From 1997 (FY98) through FY00 the rate essentially remained within the same values. In response to Measure 50, in FY99 the state assigned the City a new permanent rate of \$4.7403. During FY01 the City made the last debt service payment on the 1979 General Obligation Bonds that paid for the renovation of the current City Hall facility. The tax rate was thereby reduced by about .32 cents per thousand as a result.

A Fire Local Option Levy and a Police Local Option Levy were passed by the voters in November, 2002 for an effective date of July 1, 2003 (FY04). In 2006, the Fire Services Levy was renewed for four years (FY08-FY11). The Police Services Levy was renewed for five years (FY09-FY13). The Fire Levy is in effect for four years only—FY08 through FY011. The Police Levy is in effect for five years only (FY09-FY13). The levy funds are separated from all other taxes by separate reporting funds: Fire Local Option Levy Fund and Police Local Option Fund.
