Urban Growth Boundary Study College View/South Franklin Corridor Stakeholder Workshop

The College View/South Franklin Corridor Study Area stakeholder working group will meet from 2:00 to 3:30 PM, Wednesday, February 11th. The meeting is open to the public.

The College View/South Franklin Corridor stakeholder working group is being asked to provide input to inform policy development for Springfield's 2030 Comprehensive Plan that includes expansion of the Urban Growth Boundary for Springfield.

The City is seeking input from citizens to help identify possible solutions for Springfield's Urban Growth Boundary that will meet state requirements including the city's obligation to create jobs, while preserving community values of clean water, preserving farm land, and improving the overall environment and livability of the area.

What: Springfield's College View/South Franklin Corridor Study Area stakeholder working group

Who: Lane County residents, and business and property owners

When: 2:00 to 3:30 PM, February 11th

Where: Springfield City Hall, Library Meeting Room, located at 225 Fifth Street
