Trudy,

In response to Chelsea's Facebook post re a pending City of Springfield hearing, I'm writing in support of your wonderful facility. Cyndy and I have attended a number of varied events at Along Came Trudy over the years, including two this past year. One was a Springfield Education Foundation reception and the other was a wedding. Your facilities, including the "barn" and other buildings and the proximity to the McKenzie River, make it an incredible asset to this community, a venue unlike any other in Springfield. We have enjoyed everything about Along Came Trudy, the facilities, the food, the friendly service by employees. I can't think of a better venue locally for weddings, receptions, parties, etc. It is a business we should applaud and should value in Springfield, so people can stay in Springfield to meet their event needs.

Steve Dustrude
