How It Works

Help is available for very low-income property owners to correct conditions that create a threat to the health and safety of the occupants, or could cause rapid deterioration of the structure.

Up to \$5,000 is available to qualified households. The grant is renewable every five years.

Work is performed by licensed and bonded contractors.

Potential program participants should verify that they meet certain requirements before submitting an application.

Eligibility requirements are:

- ✓ Applicant's household income must fall below the maximum income for the corresponding household size
- ✓ Property must be applicant's residence with a Lane County Assessor's Market Value of less than \$233,000
- ✓ Property must be within Springfield city limits
- ✓ Repairs must be eligible types of work and limited to living space areas

Eligible Repairs & Accessibility Improvements

- ✘ Repairs of failing electrical, plumbing, or heating systems
- ✘ Repair of leaking roof
- ✘ Basic home security measures (doors are inoperable or unable to be locked)
- ✘ Accessibility improvements (examples are installation of ramps and installation of grab bars and handrails)

Household income for the Home Repair Program cannot exceed the amount for corresponding household size, listed below.

2018 Income Limits	
1 Person Household	\$22,450
2 Person Household	\$25,650
3 Person Household	\$28,850
4 Person Household	\$32,050
5 Person Household	\$34,650
