REQUEST FOR PROPOSAL

#2252 City Hall Generator Design Build P11009

NOTICE OF CANCELATION

Cancellation of RFP #2252 City Hall Generator Design Build. The City of Springfield hereby provides Notice of its cancellation of RFP 2252 City Hall Generator Design Build. The City of Springfield finds this cancellation is in the public interest. The City has identified modifications need to be made to the Scope of Work for the project. In an effort to clearly address these modifications, the City will cancel the current Request for Proposal #2252 and intends reissue either a new Request for Proposal and/or Invitation to Bid within the next 90 days.

This cancellation Notice is pursuant to OAR 125-249-0270, OAR 125-249-0210, 137-049-0270 and OAR 137-049-0210.
