Meeting Guidelines

- Discussions will be facilitated by a Committee Chair, with support from City staff. Discussions will allow for the development of a consensus, but consensus is not required to move forward. (See Decision-making for more information)

- A time will be provided to propose agenda changes at the beginning of each meeting.

Time permitting, the facilitator may provide opportunities for public comment at other times during the meeting with committee consent.
- Subcommittees require 50% of subcommittee members to have a quorum.

Decision-Making

- The BPAC will strive to reach consensus on recommendations. Consensus is defined as the point where all committee members agree on the best option for the group even if it is not each committee member's personal favorite.
- If consensus cannot be reached, a vote may be called. All opinions will be part of the meeting record and will be shared with decision-makers.
- Decisions will be tabled if the committee cannot reach a decision. If new information is available, the group can revisit decisions.

Communications Outside of Meetings

- BPAC members will not undermine the work of the group by initiating contact with the media or officials to advance our opinions or to counter our fellow members' opinions.

-
- ~~Emma Newman~~ (Lead City staff) will be responsible for distributing information to BPAC members, so everyone has the same information. Relevant discussions of issues should occur at BPAC, for the benefit of allowing all members to be informed and participate.
