Full text from items in chart above:

- Advise staff on where to install bike racks throughout Springfield
- E-bike regulations
- Signage/road bump dot thingies at the R turn from Main onto Mohawk.
- Safety for cyclists in order to pedal to and from work, etc...
- Ask folks in wheelchairs about improvements for them.
- Bike/pedestrian path specifications. Etiquette signage ("Walk/ride Right, pass Left" "Please notify before passing. Thanks!" "Watch out for kids and pets" "Please keep kids and pets on a leash!" Widths, turn radius and bank angles, choice of materials that boarder the pavement.
- Laura street bike lanes and sidewalks, and the city bus route
