E-BOOK READER RAFFLE AND DIGITAL DOWNLOAD HELP AT THE SPRINGFIELD LIBRARY

Library2Go is free to library patrons and offers best-selling and classic titles available anytime.

The Springfield Library will raffle off an Kindle Touch to a lucky library user on Monday, March 5. Staff will be available 5:00-7:30 pm to answer questions and demonstrate how to download e-books, audiobooks and video to a variety of devices from the Library2Go digital download website. The site is available to all library patrons with a valid library card. Participants may bring their own e-book reader, mp3 player, iPad, or other device.

The Springfield Library has greatly expanded its services with the addition of downloadable e-books, audiobooks and video through Library2Go. Library card holders can check out and download digital media anytime, anywhere, by visiting the library website at wheremindsgrow.org. To check out and download titles, users will need a valid library card, personal computer, and Internet connection. Once downloaded, digital titles can be viewed or listened to at a computer, transferred to a supported device, or burned to CDs. Because titles are automatically returned to the collection at the end of the lending period, there are never late fees, lost or damaged items.
