**Weather Update #2 from Springfield**

Springfield currently has two sanders out on priority arterial and collector streets, hospitals access and hillside residential streets. We have five crews out clearing trees and tree branches from City Right-Of-Ways. Since the weather forecast shows the prospect of more of the same, The Maintenance Division will operate three shifts on a 24 hour basis until the event subsides.

If you need to contact our staff during normal business hours, do so at 541-726-3761. For after hour calls contact us at 541 726-3761, or through PD Dispatch at 541-726-3714.

Be safe out there!
