MIDDLE SCHOOL SCIENCE FUN AT THE LIBRARY

The library will host two, two-hour science workshops for 6th – 8th graders over the winter break. The workshops are presented by S.P.I.C.E. from the University of Oregon

On Wednesday, January 2, 2013 take a tour of the electromagnetic spectrum and be a part of the human laser in the Waves and Light Science Workshop. On Thursday, January 3, 2013, use the power of chemical bonds to inflate balloons in the Mix and Fizz Chemical Reactions Science Workshops. These and many more fun science activities will be presented by S.P.I.C.E. – Science Projects to Inspire Creativity and Excellence from the U of O during these interactive workshops. Find more information about SPICE at <http://oco.uoregon.edu/spice> .

The workshops run from 1-3 pm each day. There is a limit of 20 participants per class, so pre-registration is required. To register call the Library at 541-726-3766. These workshops are for middle school age children, ages 11-13. The workshops are free.

What: Middle School Science Workshops presented by SPICE: Waves and Light on Wednesday, Mix and Fizz on Thursday.

When: Wednesday, January 2, 2013 and Thursday, January 3, 2013, from 1-3pm each day.

Where: The Springfield Public Library
