DOWNLOADABLE BOOKS CLASS AT THE LIBRARY

Springfield Library to hold a Library2Go Help Session

On Thursday, March 28, 2013 from 10:30am-12pm, the Springfield Library will hold a help session for downloading ebooks and audiobooks from Library2Go, the library's downloadable book catalog.

Library users are invited to drop in for one-on-one assistance. Library staff will help navigate a checkout. If you have your device and a laptop, it is encouraged that you bring them with you.

Patrons must have a Springfield Library card in good standing and a PIN. Please check with our circulation desk prior to the help session if you need to set up an account.

The help session will take place in the Library Meeting Room.

More information about *Library2Go* service at the Springfield Library:

Springfield Public Library has expanded service with downloadable audiobooks, eBooks, music and video. Library card holders can check out and download digital media anytime, anywhere by visiting the library website at wheremindsgrow.org. The program is made possible through a statewide consortium.

Patrons may browse the growing collection of best-selling and classic titles. To check out, users will need a valid library card, personal computer, and Internet connection. Once downloaded, digital titles can be enjoyed on the computer or transferred to a supported device, like an MP3 player or Kindle. Many audio titles can also be burned to CD to enjoy in the car. At the end of the lending period, titles will automatically expire and are returned to the collection. There are never late fees or damaged items.

Patrons will need to install free software, like the OverDrive Media Console for audio and video titles, for use on a Windows operating system or Mac.

The free service is provided by the Springfield Public Library and powered by OverDrive, Inc. To check out and download audiobooks, visit wheremindsgrow.org today!
