SCIENCE FUN AT THE LIBRARY

The library will host two, two-hour science workshops on developing science fair projects for Kindergarten – 12th graders. The workshops are presented by S.P.I.C.E. from the University of Oregon

S.P.I.C.E. – Science Programs to Inspire Creativity and Excellence - presents two workshops on developing science fair projects. The workshops will take place on Friday, April 12, 2013 from 1-3 pm, a no-school day for Springfield Public Schools, and again on Tuesday, April 23, 2013 from 5:30 – 7:30 pm. The workshops are open to kids in grades K-12.

On April 12th, the workshop will take place in the Library Meeting Room. The workshop on April 23rd will take place in the Library Conference Room. Space is limited and pre-registration is required. Call S.P.I.C.E. at 541-346-4313 or email: spicescience@uoregon.edu to register or to get more information.

The workshops are free.

On May 18, 2013, S.P.I.C.E. will host a Science and Invention Fair. Scientists who are inspired by the workshops at the Library can enter their inventions or experiments in the University of Oregon Science Fair for K-12th grade students of Lane County. For more information, contact S.P.I.C.E. directly: 541-346-4313 or email: spicescience@uoregon.edu
