2nd ANNUAL NICK SYMMONDS SPRINGFIELD 800 SEPTEMBER 13

World's only straight 800 meter road race returns to Springfield

Run with five-time 800 meter U.S. Champion, two-time Olympian and Springfield resident Nick Symmonds at the world's only "straight 800" meter road race set to take place in Springfield Oregon on September 13. The 2nd annual "Nick Symmonds Springfield 800" will take over 5th Street in the historic Washburne District in Downtown. Join Nick, returning NSS800 Champion Alex Jones, other elite athletes and community members from Springfield and Eugene for this all new road race and community party.

How fast can you go? Unlike a typical 800 – which is two laps around an Olympic track, runners of all levels will be able to test themselves on a straight road course with no turns. Everyone can participate in the 800 – which is about a half-mile! Several waves of skill levels will be available and all runners will be chip timed for the most accurate 800 possible.

Come early for the Springfield Farmers' Market, stay for the race and enjoy Springfield's 2nd Friday Artwalk following the race.

Don't miss this opportunity to meet and run with the five-time U.S. Champion!

Race waves will include:

1. Elite runners (men's and woman's wave)
2. Masters – 40 and older (men's and woman's wave)
3. Open wave (men's and woman's wave)

4. Youth
5. Walkers

Entry fees (all runners will be chip timed)

Adults \$8.00 no shirt - \$18 with a cool, inaugural tech t-shirt - Kids \$5.00 no shirt - \$11 with the cool tech t-shirt
