**LOW COST SPAY AND NEUTER FOR CATS IN
SPRINGFIELD**

Next event is August 28

The City of Springfield is partnering with WAG (Willamette Animal Guild) to provide \$10 spay and neuter surgeries for cats owned by Springfield residents. Twice monthly, WAG will schedule CityCat Days for 15 Springfield cats. Anyone who wishes to take advantage of this program must call the WAG clinic at 541-345-3566 to make an appointment.

The next CityCat Day will be held on August 28. The pre-registration/pickup location for this date is the Lucky Paws Adoption Center, at 675 Centennial Blvd., near the car wash in the Value Village shopping center. Lucky Paws is open Monday through Saturday from 11:00 AM to 4:00 PM.

If you do not require our transport, you may make your appointment for any day other than a CityCat Day, subject to availability.

For those who need transportation, pre-registration will be required and the \$10 copay will be collected at a designated site between August 13 and Friday, August 23. Cats must be dropped off between 7:00 - 7:30 AM at the pre-registration site the morning of the CityCat Days. Cats will be available to be picked up from the same site at 4:00-5:30 the same day. Individual cat carriers are required. If necessary, cardboard carriers can be provided when registration is completed.
