Fill the Boot Campaign – Sept. 13-14

On September 13th and 14th be on the lookout for Firefighters at the intersections of Pioneer Parkway and Q Street in Springfield as they conduct their annual Fill the Boot Campaign for the Muscular Dystrophy Association. They will be collecting donations outside Autzen Stadium before and after the Duck game as well.

Every dollar that passing motorists can pitch into the fire fighters' boots helps provide medical treatment and support services to individuals and their families living with neuromuscular diseases in the Springfield and Eugene area.

Fire fighters nationwide have raised millions of dollars to help improve and enhance the lives of those living with neuromuscular disease. The Fill the Boot tradition began more than 50 years ago.
