Cover Oregon Health Insurance Program Information and On-the-Spot Enrollment

Extended session offerings at the Springfield Public Library

The Sharing Healthcare Options Program (SHOP) from the White Bird Clinic and Community Health Centers of Lane County will be providing Cover Oregon information sessions and enrollment assistance weekly through December at the Springfield Public Library.

The groups will provide one-on-one assistance on a first-come, first-served basis. Each session is two hours, although workshops may end early if everyone in attendance has been assisted and no one is waiting.

Help will be available in English or Spanish at the workshops provided by Community Health Centers of Lane County.
