**~ MEDIA ADVISORY ~**

**Street Striping and Painting to Take Place**

The City of Springfield will have street striping and painting work performed on local streets between 7 PM and 4 AM on July 24 and July 25; weather permitting. The work is being done through a contract with Lane County. Several local streets are scheduled to receive the treatment and safety feature.

Signage will be posted as the work is being performed to let drivers know that there is wet paint on the street. Drivers are asked to observe the signs and stay in their driving lane to avoid driving on the wet paint. The paint used adheres to the street surface quickly and is fast drying. If a driver does notice paint on their vehicle it is recommended to wash it off as soon as possible.

**What:** Street striping and painting

**Who:** Springfield residents, and business and property owners

**When:** 7 PM to 4 AM, July 24 and July 25, 2016; weather permitting

**Where:** Multiple local Springfield streets

**Additional information:** Contact Brian Barnett, City Traffic Engineer, at 541.726.3681 or [bbarnett@springfield-or.gov](mailto:bbarnett@springfield-or.gov).
