To Whom it May Concern,

I am writing on behalf of Trudy Logan, owner of Along Came Trudy. I am truly saddened that her business is being looked at to be shut down. Along Came Trudy has been a place for people to come together in a beautiful and peaceful place to celebrate birthday parties, weddings, reunions, vendor shows, celebration of life's and much, much more. I personally have worked events and have been in attendance at dozens of events put on by Along Came Trudy and can say that Trudy Logan puts on quite the events. From her beautiful and clean property to her professional atmosphere, Trudy goes above and beyond to exceed her clients wants and needs. As well as catering to all the fabulous events that she hosts, Trudy is always considerate and respectful to her neighbors. For example: Trudy has quiet hours for all events and she has many yard signs throughout her property that clearly mark no parking or no trespassing. Also, many of her events have valet parking or parking lot security so people are respecting the property around her. Amongst all of the things stated above Trudy has many supporters of her business and everything she has done for her community. Her caring heart, compassion and fun spirit touches those around her. To shut down Along Came Trudy would be a heart break to a lot of people in our community. I, Alexa Hoselton am in favor of keeping Trudy Logan's small business running.

Sincerely,
Alexa Hoselton
