“GO WILD AT THE SPRINGFIELD LIBRARY”

*Slightly Illusional will present two free performances of “Go Wild!
A Scientific Look at the Magic in Our Own Backyard!”*

Children are invited to *go wild* with Safari Curt and his furry and feathered friends as they take children on an imaginary tour. “Go Wild! a Scientific Look at the Magic in Our Own Backyard!” will use magic, puppetry and storytelling to show children how the scientific method can teach interesting facts about the plants and animals that live among us. The programs will be at the Springfield Public Library Tuesday, August 5, at 1:00 and again at 3:00. The shows are part of the library’s Summer Reading program and are sponsored by the Friends of the Springfield Library. They are free and are recommended for children from preschool through fifth grade.
