LAND USE WORKSHOP SCHEDULED

The City of Springfield is soliciting input in developing a land use vision for Springfield. The community is invited to offer opinions and ideas about issues that will impact Springfield's development over the next 20-years.

The workshop will cover topics that affect all residents of Springfield: neighborhood development, affordable housing, family wage jobs, the types of businesses Springfield residents want, and other important topics. The City will use the results of the public workshop to help create a community land use vision and to develop strategies to implement that vision in Springfield.

A link to our public workshop flyer and the Community Development Survey is available at: www.ci.springfield.or.us.

What: Land Use Workshop

When: Tuesday, May 20th, 2008 from 7 – 9 p.m.

Where: Springfield Middle School Cafeteria, 1084 G Street, Springfield, OR. 97477

Additional Information: Contact David Reesor at 726-3783
