What: Open House for City of Springfield Draft Stormwater Facilities Master Plan

When: Tuesday, September 30, 2008

Time: 4:00 - 6:00 PM

Where: Springfield City Hall, 225 Fifth Street in the Library Meeting Room

Overview: A draft of the Stormwater Facilities Master Plan has been completed and is ready for public comment. The plan is public infrastructure master planning tool. It is a comprehensive look at the stormwater system to identify both existing and future needs for the city. The plan is designed to fill the needs of the City in three general areas: flood control and public safety, water quality and regulatory compliance, and guidance for development. Community residents are invited to attend the open house to provide comment on the draft plan.

Addl. Info: Additional information and the draft plan is available by calling 726-3695 or online at http://www.ci.springfield.or.us/DEPT_PW.HTM
