TAKE YOUR LIBRARY2GO! SPRINGFIELD LIBRARY WILL OFFER INSTRUCTION ON NEW DOWNLOADABLE AUDIOBOOKS AND VIDEO

Best-selling and classic titles available anytime, anywhere

On Monday, Nov. 16 from 5-8 pm, Springfield Library Staff will be available for questions and instruction about their newest service, downloadable books and videos. MP3 players will be raffled off hourly for those who stop by with questions.

Springfield Library has expanded their services with the addition of download audiobooks and video. Library card holders can check out and download digital media anytime, anywhere by visiting the library website at wheremindsgrow.org.

Patrons may browse the growing collection of best-selling and classic titles. To check out, users will need a valid library card, personal computer, and Internet connection. Once downloaded, digital titles can be enjoyed on the computer or transferred to a supported device, like an MP3 player. Many audio titles can also be burned to CD to enjoy in the car. At the end of the lending period, titles will automatically expire and are returned to the collection. There are never late fees or damaged items.

Patrons will need to install free software, like the OverDrive Media Console for audio and video titles, for use on a Windows operating system or Mac.

The free and easy to use service is provided by the Springfield Public Library and powered by OverDrive, Inc. To check out and download audiobooks, visit wheremindsgrow.org today!
