

~~Summary~~ Motion

Move forward with MDS revisions concurrent with ministerial SPR. Simultaneous submittal to DLCD. Move forward with engineering/legal reviews now. Hard timelines for review ^{benchmarks} status and completion. Target max 6 months for DLCD submittal. ~~Increase MDS Minor~~

~~Motion~~

Motion

MDS Minor increase to 10,000 sf

Y-8

N-∅

Motion

5.15-105 D from Rick's proposal: revise # 25,000sf to 50,000sf and remove second red text (put period after "and/or combined gross floor area).

Y-8

N-∅

Motion

Keep 50ft buffer but allow rights-of-way to be included in measurement

Keep measurement from "development area".

Y-7

N-1 (Mike)

request staff prepare ~~the~~ matrix of comparison between MDS Minor, MDS Major, Bldg Permit Review, SPR (handout? in code?)

→ lower priority than code ~~review~~^{writing} and technical reviews

next meeting Feb 26 12-2

agenda - staff update on MDS/SPR

start advocacy conversation
