

## Downtown District Design Standards

### Downtown Citizen Advisory Committee

---

#### Meeting Agenda

Thursday, April 27<sup>th</sup>, 2017 – 5:30 to 7:00 pm

Springfield City Hall Jesse Maine Room, 225 5<sup>th</sup> Street, Springfield

- 5:30 Welcome and Call to Order (Chairman Steve Moe)
- Agenda review
  - Public Comment
- 5:35 Committee membership update (Linda Pauly, DPW)
- Open recruitment: (2) General Public and (1) Downtown Business Owner positions on the CAC
  - Re-assignments of existing members
- 5:40 Staff presentation and committee discussion – Downtown Design Standards to Address Compatibility (Linda, committee)
- The downtown business district has certain physical attributes and patterns that clearly set the district apart from the rest of the City. These characteristics are easily identifiable by the public and clearly communicate “where Downtown is.” The committee is asked to review and discuss a presentation by staff and provide input to:
    - identify specific local design characteristics that contribute to Downtown’s sense of place; and
    - discuss ways that new buildings could be designed to “fit in” with the local context and contribute to a welcoming, walkable, coherent, and unique Downtown.
- 6:40 Project timeline and next steps (Linda)
- 6:45 Announcements/other
