- This is a Type IV decision and thus is made after a public hearing.
- A notice is posted in the newspaper, and notice is mailed to property owners and occupants within 300 feet of the property being reviewed and to any applicable neighborhood association. In addition, the applicant must post one sign, provided by the City, on the subject property.
- Written comments may be submitted to the Development Services Department through the day of the public hearing or comments may be provided in person during the public hearing.
- Applications are distributed to the Development Review Committee.
- After a public hearing, the City Council issues a decision that addresses all applicable approval criteria and/or development standards, as well as any written or oral testimony.
- Applications may be approved, approved with conditions, or denied.
- The City mails the applicant and any party of standing a copy of the decision, which is effective either on the date the decision is made or 30 days after the decision is made if there is no emergency clause in the adopting Ordinance.
- The decision issued is the final decision of the City but the City Council's decision may be appealed within 21 calendar days to the Land Use Board of Appeals.
