Subject: COVID-19 Update - 23 Springfield Wellness Center Telemedicine Services
Attachments: Spfld Telemed Flyer.pdf

Hello everyone,

The City's Executive team, as well as Cascade Health, want to ensure staff is aware of the Wellness Center's telemedicine services that have been put in place to support you and your dependents during the COVID-19 pandemic. Please see the attachment for more information.

Sincerely,

Chaim

Springfield Wellness Center

Telemedicine Services

Same Great Care, Now Online!

The Springfield Wellness Center is excited to offer online telemedicine visits to eligible City of Springfield and Springfield School District employees and their families. **New and existing clients can schedule a visit with our dedicated providers without leaving home.**

Just like regular, in-person visits, any telemedicine visits will include the following benefits:

- No out-of-pocket cost or co-pays
- Great appointment availability
- Completely confidential care
- More time with your providers
- Relationship based care

With this added option, you have more ways to access your unique employee benefit. You will still be able to schedule an in-person visit at our clinic at 225 5th Street Room #518 inside City Hall.

Please note, not all services are available through telemedicine and you may be directed to an in-person appointment based upon your specific needs.

Using Springfield Wellness Center

It's easy! Just call us for an appointment:

541.242.2816

Appointments are available Monday through Friday.

The Springfield Wellness Center is brought to you through a partnership between Cascade Health, City of Springfield and the Springfield School District.
