## City Council - Ward 3

# Johanis Tadeo

**Occupation:** Director, Springfield Alliance for Equity and Respect

**Occupational Background:** Community Organizer

**Educational Background:** Lane Community College, University of Oregon

**Prior Governmental Experience:** none

Growing up in Springfield and attending Springfield schools, I experienced the atmosphere of anxiety and hardship when jobs were lost and local businesses closed as mills shut down. I felt fear and grief as families were torn apart by immigration raids and the Thurston shooting. During Covid-19, I've worked directly to ease pandemic hardship and despair.

I understand the concerns of families, students, employees, business owners and under-represented communities. I believe I am the right person to help Springfield emerge from the pandemic strong, diverse, and confident. I want to serve all the people of Springfield. I will listen and work to help you, your families and our city to thrive.

**As City Councilor my priorities will be:**

- **Public Safety:** Monitor implementation of new State de-escalation and use-of-force laws and Kenny settlement requirements, bringing transparency and accountability to the police. Promote policing practices that build trust within marginalized groups, so all residents feel safe.
- **Infrastructure:** Create transportation plans to provide accessible LTD routes, and safe streets for pedestrians, bicycles and motor vehicles.
- **Affordable housing:** Develop affordable housing to prevent homelessness. Provide shelter for unhoused residents.
- **Increase civic participation:** Encourage civic participation from under-represented communities so all voices are heard.
- **Expand the Springfield economy:** Promote new small businesses, especially from under-represented communities, to create jobs.
