To whom it may concern,

Hello, my name is Mariela German I am a long time Springfield resident and chair of Escudo Latino. Escudo Latino is a Partner of SAfER and CALC. We have had the honor to work together and collaborate with the mural design that will be in downtown Springfield and outside of Memo's Mexican Restaurant east side wall. Escudo is involved in the planning for the event and will help promote the mural and event to the Latino community in Springfield. I have had the honor to meet with Esteban Camacho and talk about coming up with a mural design that represents the Latinx community and residents of Springfield. It's been a pleasure to host and gather via zoom with Esteban and many Springfield residents and youth. I can't wait for the big day where we can all get to see the mural finished and have it in our hometown. Please feel free to reach me or contact me if you need anything from me.
